EXPERIENCE

11/2021 - 11/2022 **Software Engineer Intern**   **Upstream S.A.**
Started with a three-month training on Software Engineering basics, including Java, Spring, Databases, Caches etc. Then, as a member of an Agile Software Engineering team I had to handle day-to-day production or maintenance sub-tasks
`Spring / Java / JUnit / SQL / Hazelcast / Jenkins / Kubernetes / JMeter`

5/2021 - 9/2021 **Software Engineering Intern**   **Blueground**
During the internship, an entire backend project was developed from scratch, implementing a Property Search API. Then, extra hands-on experience was gained as a member of a scrum production team.
`Kotlin / Java / REST API / Elastic DB / Spock - JUnit / Groovy`

10/2018 – now **University Assignments**   **AUEB**
Assignments - Projects for university courses. The greatest of them are uploaded on my github profile.
`cpp / java / python / web / android`

EDUCATION

2018 – 2023 **Bachelor's Degree**   **Athens University of Economics and Business**
Department of Informatics, Major in Information Systems Security, Databases and Knowledge Management
